

# **DID YOU KNOW...**

**Through fundraising events and donations  
The Autism Project has purchased:**

- Our 2 acre learning center campus with over 8600 square feet of classrooms and activity space
- Autism Center Playground, Veranda shade areas and bike riding paths
  - Educational Equipment
  - Two Vans for our group social field trips
- 20' by 42' an Outdoor Therapeutic Swimming Pool with 2200sq/ft concrete decking, verandas, perimeter safety fencing
  - Built a 2000 sq/ft - 4 bedroom house to offer affordable housing to adults with autism
  - Purchased a second house to offer affordable housing to adults with autism

**We are very grateful for our children, parents and community for all of their help and commitment with their donations throughout the years that have allowed us to help the children and adults to whom we are committed to.**

**We promise that your gifts will be used to make an impact on every child T.A.P.I. has the privilege to serve.**
